

REMARKS

By the above amendment, the claims have been amended to place them in better form by deleting "means" and/or "steps" recitations therein and correcting grammatical errors therein.

These amendments to the claims, which have not been made to overcome a rejection based on prior art, contain no new matter and should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to be attached thereto.

If there should be any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
